Information Infrastructure Business business overview

Network & Security : Provision of integration of cutting-edge information infrastructure technologies in cloud era In collaboration with CROSS HEAD Co., Ltd., a wholly owned subsidiary of Techmatrix, we provide customers with various services, including ① Products, ② Design and integration, ③maintenance services, ④operation and monitoring to improve customers' ICT environments.
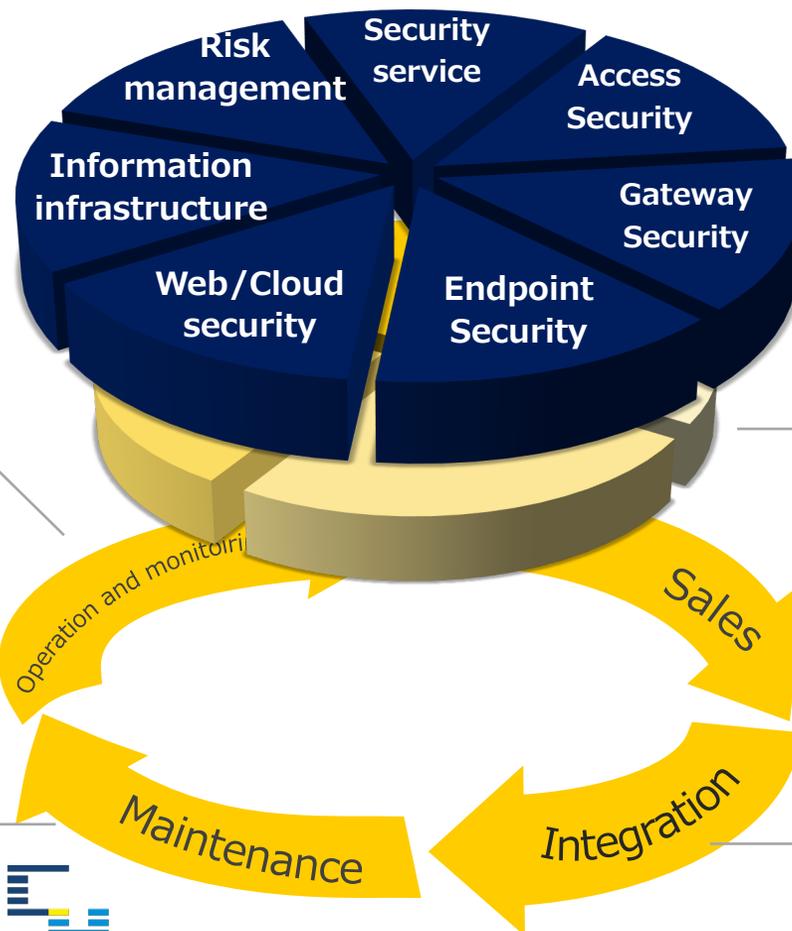

④Operation and monitoring :
Wide coverage from alive monitoring, remote security monitoring to on-site operational support

③Maintenance :
24 x 7 support services provided by technical staff who have in-depth knowledge about the products we sold as a 1st-tier distributor

Various support services :
✓Assessment support ✓Evaluation support
✓Integration support ✓Operational support

①Sales :
Introducing cutting-edge technology for Japanese market

②Design and Integration :
Know-how gained as a 1st-tier distributor and sufficient pool of experienced engineering resources

Pie chart segments: Risk management, Security service, Access Security, Gateway Security, Endpoint Security, Web/Cloud security, Information infrastructure
