Forecast (Consolidated) (Total)

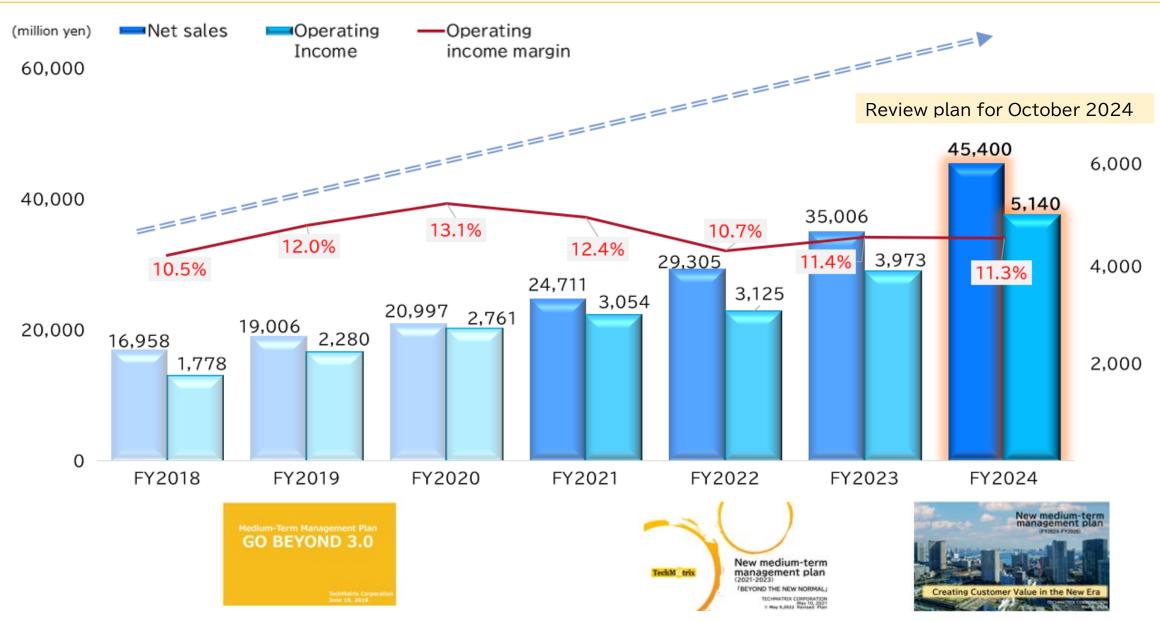

Forecast (Consolidated) (Information Infrastructure Business)

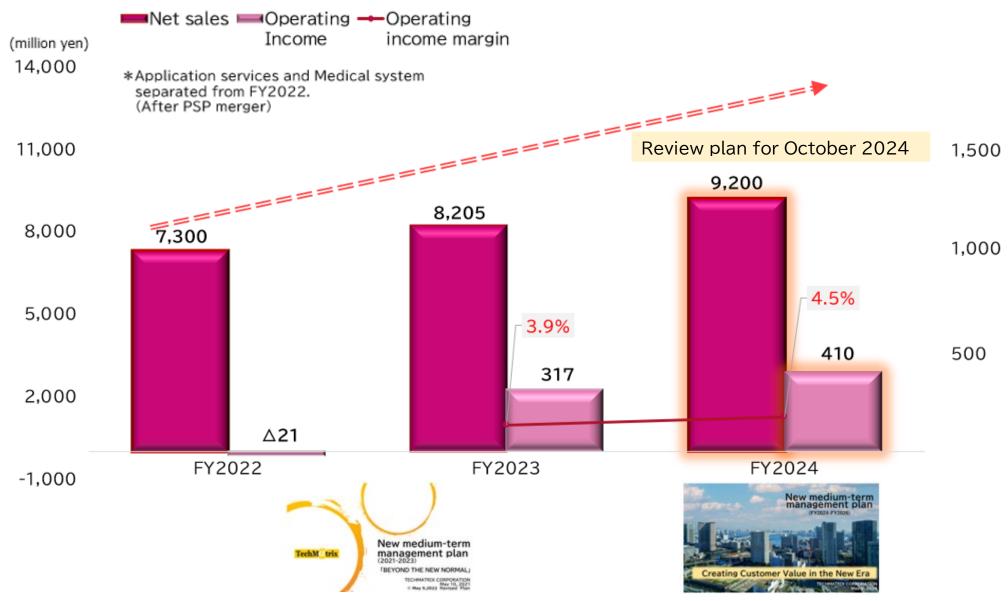

Forecast (Consolidated) (Application Services Business)

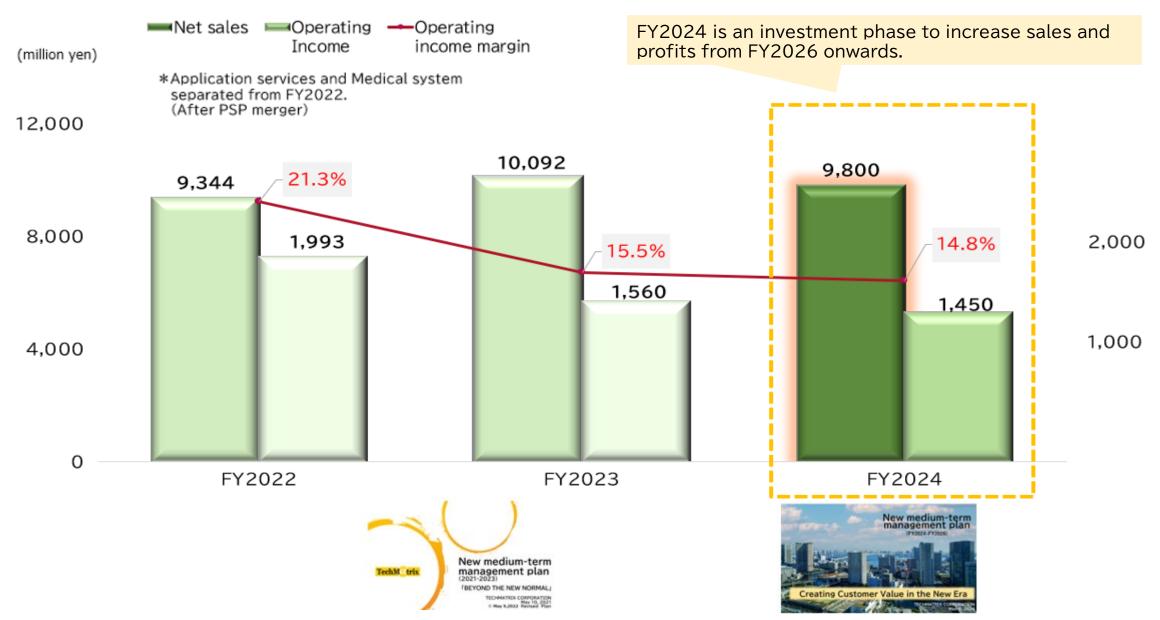

Forecast (Consolidated) (Medical System Business)

Forecast (Consolidated) (Medical System Business)

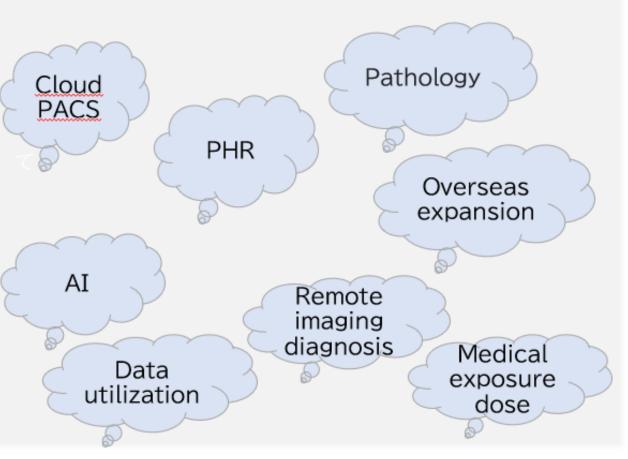

FY2024-FY2025 is investment phase to increase sales and profits from FY2026 onwards.

1) Cloud shift of PACS business

This will result in a short-term decrease in sales and operating income. However, this is a management decision with an eye to the future.

2) Increase in staff for business expansion

3) Aggressive development investment

Network & Security: Provision of integration of cutting-edge information infrastructure technologies in cloud era

In collaboration with CROSS HEAD Co., Ltd., a wholly owned subsidiary of Techmatrix, we provide customers with various services, including ① Products, ② Design and integration, ③maintenance services, ④operation and monitoring to improve customers' ICT environments.

4 Operation and monitoring:

Wide coverage from alive monitoring, remote security monitoring to on-site operational support

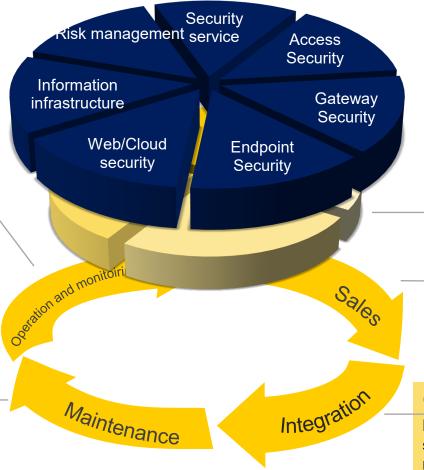

3 Maintenance:

24 x 7 support services provided by technical staff who have in-depth knowledge about the products we sold as a 1st-tier distributor

Various support services:

✓Assessment support ✓Evaluation support ✓Operational support

①Sales:

Introducing cutting-edge technology for Japanese market

②Design and Integration :

Know-how gained as a 1st-tier distributor and sufficient pool of experienced engineering resources
