Information Infrastructure Business business overview

Network & Security：Provision of integration of cutting-edge information infrastructure technologies in cloud era

In collaboration with CROSS HEAD Co., Ltd., a wholly owned subsidiary of Techmatrix, we provide customers with various services, including ① Products, ② Design and integration, ③maintenance services, ④operation and monitoring to improve customers' ICT environments.

④Operation and monitoring：

Wide coverage from alive monitoring, remote security monitoring to on-site operational support

TechMatrix Premium Support powered by TRINITY

TRINITY

③Maintenance：

CROSS HEAD

24 x 7 support services provided by technical staff who have in-depth knowledge about the products we sold as a 1st-tier distributor

Various support services：

✓Assessment support ✓Evaluation support
✓Integration support ✓Operational support

①Sales：

Introducing cutting-edge technology for Japanese market

paloalto NETWORKS
Trellix
DELL Technologies
f5

②Design and Integration：

Know-how gained as a 1st-tier distributor and sufficient pool of experienced engineering resources
